**NEAREST MAJOR AIRPORT:** Kalispell is 30 miles away.

**DETAILS:** This was originally going to be a cross country, but the state did not approve sections of the course, so this will be a traditional motocross type course on a course that is around  $\frac{3}{4}$  of a mile on length. Saturday's NASBA National event will feature pro classes for men and women as trophy classes for racers over 40, kids, and amateur men and women. Even though it is a long course, there are plenty of awesome spectator viewing spots, and there will be plenty of snow since the race location sits in the "snow zone" behind Big Mountain Ski Resort.
