DETAILS: The West Yellowstone Snowmobile Expo is one of those “can’t miss” events featuring vintage snowmobile racing and displays, a chance to peek at new machines, music and of course snow bike racing!

The race course is right on the edge of town and is approximately one half mile long with jumps, bumps and right and left hand turns. Sunday’s NASBA Championship event will feature premier classes for men and women as well as racers over 40. You don’t need to join anything to race.
