

Cascade Still Host's World's Oldest Snowbike Race

Round two of the 2023 NASBA (North American Snow Bike Association) Carl's Cycle/Timbersled National Championship Snow Bike Series ran on a beautiful, ½ mile motocross type course just off of Warm Lake Road near Cascade, and had, probably, the nicest weather ever, for mid-February in the Idaho Mountains.

Ron Dillon and crew, along with Lewiston's Eric Christiansen and his crew pulled together on this race, and it pulled 54 racer entries, and 400 spectators on a bright, sunny, calm day.

Nine fast guys showed up to vie for \$4,000, paid out to the top seven. It was Canyon Ashley's day as he flew to double moto wins, with Northern Idaho's Jake Hedlund, riding smooth and smart to take second. Canadian racer Shannon Mason took third, with round one winner, River Rogers, fighting back from a couple of crashes to take fourth. Still fast, and tactical, Jimmy Jarrett took fifth.

Canyon Ashley rode very strong and fast to win the men's pro class with perfect 1-1 moto finishes.

The day of racing ended with the eagerly-awaited UTV (4-wheelers) taking the line, and just like last year, the crowd was treated to several crazy crashes and assorted stuck machines.

The third and final round of the 2023 Carl's Cycle/Timbersled National Championship Snow Bike Series will be held at the same, location on February 25.

Partners for the Cascade race were: Carl's Cyle, Timbersled, Roger's Toyota, Ashley Heating and Air, Peters & Keatts Equipment, Performance Drywall, Hawkins Companies, Zack Evans Construction, Granite Construction, Valley Wide Cooperative, Kenz Hair, Pure Adrenaline Motorsports, Titanium Excavation, Rockwell Time, Disaster Response, Mile High Powersports, Superior Construction, Seat Concepts, Ride McCall, CITRA, Rod Blackstead Family, Gateway Materials and Trailers, Cascade Chamber, Restoration Pro, Doug & Tammy Olson, and X2D. Special thanks to Ryan and Wendy Rogers, Eric Christiansen and crew, the Cascade Fire EMT and Fire Department, Whistle Stop, Honey Dippers Portables with Destry and Julio, and of course the race could have NEVER happened without the help and support of Phil and Josh Davis and Granite Excavation.
