DETAILS: This is the oldest snow bike race in the world, running every year since 2009 during the 30,000-person McCall Winter Carnival which features snow sculptures, fireworks and more. McCall sits 100 miles north from Boise, Idaho and always gets lots of snow!

The McCall race is moving to an all-new location this year. With 1,205 paying spectators and 57 racers in 2016, it finally overwhelmed and outgrew the McCall Golf Course. The new location is Riverfront Park, located very close to town, with more parking nearby. The terrain is more technical and the new track will be approximately $\frac{3}{4}$ mile long with jumps, bumps and right and left hand turns on both flats and sidehills. Saturday's AMA Championship event will feature premier classes for men and women as well as racers over 40, kids 6-15 on mini snow bikes, adults on mini snow bikes and an all new Open class for machines with motors over 531cc. The original snow bike race just got even better and we can't wait to see the snow flying!

You WILL need an AMA membership to race. You can get an annual membership at the event for \$49 or a weekend membership for \$20, and can also join online.
